West Sussex Art Society Full Membership Application Form

As a Full Member of West Sussex Art Society, you would be very welcome at monthly meetings for presentations by locally, nationally and internationally renowned artists and art historians. We would also encourage you to participate in our occasional practical art sessions.

Full membership of the Society is by selection. Candidates are asked to submit a minimum of four recent, original works (e.g. paintings, prints or sculptures) plus a sketchbook and/or ideas book. The selection process includes a short, informal interview. Please note that the decision of the Committee is final. You would be notified of the decision by the Secretary within 48 hours. On selection, your annual subscription of £36 becomes due. You would only be charged a proportion of the annual fee if joining later in the year.

As a Full Member, we would invite you to participate in our annual exhibition. You would also be encouraged to join our website gallery.

We value the skills and enthusiasm that our members bring to the Society. The Society is run by volunteers and we rely on members to help. We would expect you to attend the monthly meetings regularly and to contribute, in whatever way you are able, to keep this a successful and thriving Society. We would appreciate help at exhibitions and with refreshments at the monthly meetings. If you have skills such as financial administration, events organising, secretarial skills or other talents that you feel would be useful, please let us know.

You would not be able to exhibit with the Society if you had not attended a minimum of three meetings in that year (pro rata for members joining later in the year). There is usually a charge for participating in exhibitions to cover venue hire and publicity costs.

If you were unsuccessful in your application for Full Membership, we would encourage you to join as an Associate Member. You would gain many of the same benefits, such as attendance at monthly meetings. You would, however, be unable to exhibit with the Society or to be featured on the website. The Associate Members' fee is the same as that for Full Members.

We want you to have a voice in the Society. We welcome your feedback at our AGM in September and throughout the year.

If you would like to apply for Full membership, please complete the attached form and return it to Maggie Tredwell, Membership Secretary:
